“ Sending my deepest heartfelt condolences to all the family! Barbara will be greatly missed by so many! She had a heart of gold and would go out of her way for anyone. Toni and I have been friends for as long as I can remember and I have so many fond memories of Barbara going back to our childhood. She never met a stranger, many times I ran into Barbara in the grocery store and there she was striking up conversation with someone she didn't know, but that didn't matter to her. That was just who she was, she was a people person and loved everyone. I could always expect a Christmas card from her with a beautiful handwritten message, and if she had taken any pictures throughout that past year of my girls, she would always include them in the card. Even this past year with her not feeling well I received one of these special cards. I loved getting her cards and it meant so much to me that she always thought of us. Soo many more wonderful memories of her that I will never forget! She was one very special lady!

“ I am so, so sorry to hear of your great loss. Bobbi was one of the dearest, kindest people I have ever knew; she never met a stranger, and was so gracious and caring to everyone. Whenever you talked with her, you felt that she was truly interested in WHATEVER you had to say...she had such a gift! Roger, please know how sorry we all are, and we are keeping you, your girls, and the entire family in our thoughts and prayers. With Love, Gail

“ I have known Her for over 30 or so years. Her sister Valerie and I worked together. When ever I saw Her She was very Friendly When ever I talked to Valerie I would ask Valerie about Her. When ever I could not get Valerie on the phone, I knew that if I called Barbara She would get the message to Valerie that I called So to Roger and the Family I say to You that Bobbie is now resting with Jesus. Just think about the time that she was here.
