“ It's been almost a year already and I can't believe it. He was my grandpa and like a second dad to me. I remember all the days growing up helping with yard work and then napping on the couch while watching Disney movies. I miss those days more than anything now. I love you Papa, I'll always remember you as that goofy old man who could always make me laugh and made feel like I was worth it

“ Billy was my dad, Elson Guy Smith's, Cousin. Dads mom was his aunt. And their grandparents were the same. So Billy was my cousin once removed. I remember him when I was a kid around 1968 when he was a policeman on his motorcycle. He came by my dad's business on My Vernon Ave. I liked him a lot. He was a very nice person. I saw his mom and Dad a lot, Maxine and Dewey Owens and I loved them. They were neat people. I miss them. I hadn't seen Billy for some time but he was at some of the family gatherings here and there. Will miss him. Wish I knew the family on that side. Please call me sometime and let's talk. 757-309-8814.

“ My Grandpa, "Papaw" was the rock of our family, he was the happiest when his grandkids were around and he loved his boys. He took me for a ride on his beloved motorcycle, we went over the JRB, he told me to hold on to him tightly, the grate will make us move. We rode with Bobby, and Brian. I was so scared but I knew I was safe cause my Papaw had me and he loved me. I only wish I had been there more with him. I love you Papaw, you will live in my heart forever.

“ He wasn't just a father in law to me, he was my friend and my father. He loved me and he loved his kids and grandbabies. He always said to me you're the first to the table and the last to leave. He loved my chili and we both loved to eat navy beans. I always called him Mr. Owen's, he told me to call him Bill, but I just couldn't , I respected him he will live in my heart and his love was his grandbabies and great grandbabies. He will be missed greatly. By...Denise Owens
