Comments

“ My condolences to Bonnie's family. I became friends with Bonnie way back when Bonnie attended Jackson Memorial. We shared good moments at the beach too. She was a wonderful Christian lady and she often shared her faith and her love for her family with her friends. I just got back in town and heard of her passing. She will be missed by many.

“ Bonnie Butler was a real friend right from the first time we met her. She welcomed us into the life she enjoyed with Dick and kept Shirley company while their boys went from table to table at school reunions talking forever. We enjoyed being in their home and all of the times we went to dinner together. Compatible and caring are two words we use when thinking about our times with Bonnie and Dick. Easy going and no pretense are two others. We miss you already, dear lady. Peace be with you forever.

“ Bonnie Butler was wonderful Christian lady. She gave her all for the sake of her family. Her work for the United Methodist Church speaks volumes. She and husband Dick Butler shared a blessed marriage together and were honored by God with a great son in Chris and two beautiful grandchildren. Our 70 year relationship with Dick Butler allows us to claim to be as near family as it gets. With Bonnie, we attended several school reunions together where she endured watching Bud and Dick mingle with everyone there. Bonnie literally had a heart of gold and a beautiful smile for everyone. She will make a grand angel in the heavenly host. Rest in peace, Bonnie.

“ Bonnie was a faithful friend to so many! Her son and my daughter are only a month apart in age so we have been friends and Sunday School prayer partners for a long time. We enjoyed many days together at her Outer Banks cottage over the years. Her sweet smile will be greatly missed. Heaven is a brighter place--
Welcome Home, Bonnie!
