“ I will always remember many wonderful spaghetti dinners that she prepared for the Frederick College friends of her son Bill aka BJ to his college buddies. After a delightful meal we would watch Laugh In, Dean Martin, or Bat Man on TV and then head back to college to "study". She was a warm and caring lady never complaining of feeding a small army of students eager for a home cooked meal. I have not seen her in decades as I have lived in Florida for 48 years but I will never forget her and her wonderful hospitality. Henry Sawyer

“ Claudia was a joy to be around. Always pleasant and encouraging. She was a member of Western Branch Homemaker's Club for years and after that closed, she helped organize a monthly Lunch Bunch group which is still meeting. After she became unable to attend, we stayed in touch with cards. She will be missed by her many friends because we have so many good memories of Claudia. Thoughts and prayers go out to her family.
