“ Oh Delores, I was riding through Waterview just a few days ago and thought of you and Lucky. I hadn't seen either of you in so long and I wondered how you were doing. Now I see the obituary. I'm sorry for your loss! I can't come to the visitation and funeral this week but I sure will think about and say a prayer for you. God bless you and your family with the peace from the Prince of Peace, Jesus Christ Our Lord and Savior. Denny Hollowell

“ As a child, I always loved when "Mutt" would come to visit!! He never lacked a smile and was always filled with laughter. My children enjoyed meeting him a couple years back as well. We send our love and condolences, Deloris. Much Love from Amber, "Red", Sally and Jim

“ "Mr. Stike" was my 5th grade teacher at JEB Stuart Elementary School, in 1966. I did not see him for many years, when I was (still am) working at Tidewater Community College. "Lucky" was on the TCC Board, and, at that year's Christmas party, I came up behind him and Delores as they were checking their coats. "Hello, Mr. Stike" I said. He didn't even turn around, but he said, "Betty Credle." I couldn't believe he still remembered me (my voice!), after all the years and all the hundreds (thousands?) of kids he taught. Amazing. I still remember the white T-Bird he drove while at Stuart. We kids thought that was so cool. Cool, too, that he taught us to sing Broadway Show Tunes in class. How many 5th graders know all the words to "Oklahoma?" Quite a guy. Hugs and blessings to you, Delores.

“ Lucky was the most amazing man and educator. I was "lucky" to have known him as a former student and again in later years as a one of my favorite patients and friend . He and Delores were part of our Portsmouth Family Medicine family and he will be missed.

God Bless him and Delores for her never ending dedication and care.

Love you both, Laura Jordan
