“ I first met Roger Fedro while employed at Bon Secure Lab dept. Rooer was always pleasant & funny, he kept you laughing with his jokes. He came to my house when my mother died in 1997 to give my family his support and condolences. It was sad for me this morning to read of his passing. My condolences to his family and friends.

“ Prayers for God to give you comfort during this time. I remember when Roger first dated Aunt Charlotte. I admired his dedication and firm foundation in being a good husband, father, friend and family member. He amazed me with his decorating skills. He was always up and working before everyone else even thought about waking. Thank you Roger for to many good memories to mention. You will truly be missed.

“ Stephanie, you lost your wonderful mother way too soon and now your very special dad. We remember them so fondly beginning with those years you and Chelsey played slow pitch softball on those teams with all the flowery names. You were their heart. Can't imagine the loss you're feeling. We are so sorry.

“ Loved my Uncle Roger and playing with my cousins Pam and Roger Jr when we were kids. He was quite the sage even back then. Prayers and blessings to the whole family in your grief.

“ Dear Fedro family,

We are so sorry for your family's loss. We lived next door to your mom and dad on Woodside Lane in Churchland and remember them fondly. I remember that your dad loved to keep the yard in tip-top shape, and I remember their sweet cat Squeaky would come visit us all the time. They were great neighbors. Wishing you peace in this difficult time.

Best,

The Hench family
