

Abegail Zabala

January 30, 2017

“She spoke the language that our hearts knew how to respond to”. That is Abbie Gutierrez Zabala. A fierce mom to Tristyn, a dedicated wife to Anthony, a caring sister to her siblings, a grateful daughter to her parents, and the most loyal friend anyone can have.

Abbie was highly involved in a local women’s ministry called Breakthrough, as well as the Christian outreach group called the LounGe. She worked at Naval Medical Center Portsmouth as a Pharmacy Technician, where she again built lasting relationships with co-workers and staff members. Abbie was born in the Philippines, grew up in Los Angeles, California and moved to Virginia Beach, Virginia in 2007.

On the morning of January 30, 2017, after a long battle with Lupus, she was beautifully ushered into the presence of her beloved Lord Jesus. She was an amazing reminder that one life can affect and inspire so many people. Her personality was infectious, her soul was effervescent, and her selfless love for others was a force that no one could resist.

Her personal Bible verse, Proverbs 31:25-26, was a reminder for those around her that her strength and confidence was rooted in her relationship with God - “She is clothed with strength and dignity; she can laugh at the days to come. She speaks with wisdom and faithful instruction is on her tongue”. A

service will be held on February 4, 2017 at Radiant Fellowship in Chesapeake, Virginia to honor and celebrate her truly incredible life.

Services are at 6pm Thursday Feb. 9, 2016 at Forest Lawn Cemetery, Hollywood Hills 6300 Forest Lawn Dr. Los Angeles with interment to follow.

“ I had the privilege of working with Abbie at Sentara Pharmacy. She was such a happy person, who was an inspiration to all. She spoke "always" of her love for her young daughter. She was a great mother as her stories showed proof. She was a beautiful person, and will be greatly missed. Rest In Peace , my friend. Donna Schlotterer- past driver for Sentara
