“ It is with great sadness that I have read of the passing of Al, aka Al-theAss.
Al worked for and with me at MHI & Caliper. He was an experienced electrician and "Leader of his Troops". He provided excellent training to many marine electricians locally and in other east coast ship repair facilities.
We kept contact until about 4 years ago and he was a topic of conversation whenever people who knew him gathered.
Al, this "Bud-In-A-Can" is for you!
