“ We are very sad hearing about the loss of Al. Please if there is anything that we can do for you and your family just let us know; we only live 2 doors down. I will never forget when Ford shut down; Al always offered me encouragement when I first started school full-time, he would just tell me the positive's side of everything. Not to mention how much our dogs loved him and knew when he was walking the neighborhood as he always carried treats for them. He will be missed. Our Condolences to all his family and especially his sweet wife, Mrs Stagnitta.##imported-begin##The Kellys##imported-end##
