“ To my family, I thank God for each and every one of you. What will stay with me is the way Dad loved his family. He was so proud of his children no matter how small or large the accomplishments were. His children could do no wrong. He loved Mom and took care of her like nothing I have never seen before. That is why to me family is everything. I love and will miss my Daddy.##imported-begin##Sharon Stone##imported-end##

We are so very sorry for the loss of your Dad. We will always remember his sense of humor and how he always seemed genuinely interested in people, and their accomplishments. Most of all I'll remember the love he had for your mother. You all are their legacy.

“ My thoughts are with all of you. Al was a one of a kind, his sense of humor and sense of family were only a few of his many qualities that will be truly missed. My hope for all of you is that you will stay in touch and keep your dad's sense of family alive. You are all very fortunate to have brothers and sisters, may you find strength in each other. “ To my brothers, sisters, cousins and friends.
There is a lot I can say about our dad and "Big Al"...I will miss the stories of his youth, his pride in serving his country in the Navy, his love of boats and trains and travel...what I will miss the most was he was always there..he did not have hands full of gold or silver, but he always had a hand for us...no matter the need....I love you dad and miss you...and,thanks for making us laugh all your life....
