“ *I knew and worked with Alice on many occasions from the late sixties until just a few years ago before she retired. She was a great curator for the Portsmouth Naval Shipyard Museum and a wonderful resource for me. She preserved the memories of Portsmouth Historian, Marshall Butt. She kept so many of our treasured memories alive with her many years of work.*

It was a pleasure to work with her and while I have not seen her in a few years I will hold her memory dear forever.

May she rest in peace.

“ My sincerest condolences to your family with the loss of Mrs. Alice Hanes. Mrs. Hanes was a very dedicated person, who I had the pleasure of working with at the Portsmouth Naval Shipyard Museum. Having known her for only a short span of time, I do know that she devoted so much of her life to the preservation and celebration of the City of Portsmouth's history. I know she will be missed by her family, friends and all others who knew her.
