

## Alice Mae Verlinde-Broadston

January 20, 2020

On January 20, 2020 God saw fit to call Alice Mae Verlinde-Broadston to her eternal resting place. Her decline was sudden and took the family by surprise. She was at home surrounded by family and passed away peacefully. Alice was known as an “encourager and a prayer warrior”. She would say, “Praise God in all things, but not for all things.” Her family is thankful that their Mom/Mama/Mimi/Grandma no longer suffers daily dealing with Chronic Obstructive Pulmonary Disease. However, she will not be forgotten, and she will be dearly missed. Her family intends to keep her memory and spirit alive by exemplifying the legacy she left behind. Her daily communication and presence will be missed by the many lives she touched. She had a generous heart and always put the needs of others before her own. If she knew someone needed something, she provided it without the asking. One of her greatest joys was blessing other people. Recipients of her card ministry will miss the words of comfort and spiritual uplifting she provided. Alice retired from the workforce at the age of 50 years old but maintained her employment contract with God leading others to Christ until she passed.

She was an active member of Churchland Assembly of God for over thirty-two years. Her Pastor, Larry O’Brien, will be celebrating the life of Alice on Wednesday, February 5th, 2020. Her family will receive friends in Churchland Assembly of God at 10 am with the service starting at 11 am. Interment to follow at Albert G. Horton Jr. Memorial Veterans Cemetery.

Alice Mae Verlinde-Broadston (Kripps) was born to William Kripps and Ada Hathaway Kripps. She was survived by her ex-husband, Lucky Verlinde, and their four children, son Joseph Verlinde and wife Cecilia Bravo, daughter Tina Pierce and husband Scott Pierce, daughter Sandra Laksono and husband Dicky Laksono, and daughter Catherine Verlinde Clark. Her thirteen grandchildren Timothy Premo, Amanda Premo, Nathan Laksono, Brianna Verlinde, Ethan Laksono, Racheal Velez, Matthew Pierce, Cayna Clark, Elijah Laksono, Cally Clark, Aaron Clark, and Laci and Levi Laksono; and one Great-Grandchild, Nainoa Laksono. She also has one surviving brother, Billy Kripps in Pennsylvania. She was predeceased by her parents William and Ada Kripps, her twin brother Paul, her two baby twin brothers Bobby and Chickie Kripps, and her late husband Leonard Broadston.

The family request that any flowers or donations go directly to Churchland Assembly of God, 4209 Twin Pines Road, Portsmouth, Virginia 23703.

*Thank you for your reply, but there are several posts that I personally have seen that are still not there...so for some reason, there appears to be a selective choice of which ones stay up and which ones do not. \*or still a glitch on the site. From our research, we are not the only family experiencing this problem with posts being removed after they are posted. On their behalf and ours, I hope this issue is resolved more promptly. Thank you for your kind attention and assistance in advance.

“ My Pretty Mama, I don't know how this heartache will ever stop. I miss you so much! I didn't just lose my mom, ...I also lost my best friend. This world truly lost a beautiful soul and it's hard to accept that God no longer wanted to use you here on earth in the powerful way you were impacting His kingdom. It's hard to accept I'll never see you again, talk to you again, hug you again, or be able to call/text you and share the small details of life with you again... But, ...I remember what you used to always say, "When things are out of our control, we give it to the One that is." That's all we can do. We rest in His sweet love for you and take comfort knowing that when you let go of our hands on January 20th, God accepted you into His. Oh what a glorious moment that must have been for you! I can only imagine the rejoicing you were doing to finally hear, "WELL DONE, thy faithful and good servant." ...And what a beautiful thought to know He was also rejoicing over YOU! :)

*"The LORD your God is with you; His power gives you victory. The LORD will take delight in you, and in His love He will give you NEW LIFE. He will sing and be joyful over you." Zephaniah 3:17*

*I will forever be grateful for your unconditional love and your legacy you are now leaving behind. You truly loved everyone equally and unconditionally--- not just with us kids, but with strangers, friends, church members, neighbors and even animals. Your heart truly reflected the love of God for all life... and you passionately lived out 1 Corinthians 13:4-8. Thank you for this legacy and beautiful example of God's love, Mom...*

*I already miss everything about you and can't comprehend how life will be now without you, but I am comforted knowing you are suffering no more and you finally have your complete healing. I love you to eternity, My Pretty Mama! I'll forever be thankful that God blessed me with you as my mom and that I had the privilege to call you Mom! I know you are richly rewarded now and God is well pleased with you!*

*Then I heard a voice from heaven say, "Put this in writing. From now on, the Lord will bless everyone who has faith in Him when they die." The Spirit answered, "Yes, they will rest from their hard work, and they will be rewarded for what they have done." Revelation 14:13*

*I take comfort knowing every prayer you've ever prayed for us is still being echoed in heaven and God is STILL moving behind the scenes and honoring your prayers... Thank you, Mom, for being such a fervent prayer warrior and teaching us all how to pray. You STILL ARE the greatest example that I have ever known that truly had the heart of God. \*\*I'm confident God is showing you now the fruit of your faith & faithfulness...*

*Not going to say goodbye, because I know we'll see you again... Until then...*

*I LOVE YOU TO ETERNITY, MOM, AND WILL MISS YOU SO MUCH!!!*

“ Grandma was always one of the biggest pieces to our family. She was our prayer warrior and our motivator. She never had anything but the best intentions for every person in our family, and she made sure she did everything in her will to keep each and every one of us filled with as much joy as possible. No matter what Grandma went through, she never failed to be there for us, in any way possible. She always put God first and her family right after. All of the Scriptures and words of wisdom will always be carried close now. All she wanted to do was bring us closer to God as a family and stay positive through whatever life threw at us. She was the grandma that could do it all, laugh with us, listen to us, pray with us, and did a whole lot of cooking for us. Life will never be the same knowing you're gone, Grandma, but I'll always have the best of memories of you! And thank you for being the grandma you were for us. I love you so much! Love, Nathan
