“ I didn't personally know your mother, but after having Patricia as a teacher in my daughters life and helping us get through the high school years, I feel that your mother was a special woman to have raised such a caring daughter. Please know my thoughts and prayers are with the family. Keep your memories close to your heart, they will help fill the void.##imported-begin##Shelia Ward##imported-end##

“ We all love and will miss you very much. We have so many great memories that will live with us forever. Mon will miss seeing her big sister and the love of all the family's will make the pain a little easier. All of my family have been touched by Miss Tiny. My children have some great stories as do Connie and I. Just remember that death is not the end but the beginning. We know that she is in a better place. “ How very blessed we all were to have Marty as a part of our lives! Many children never know what it is like to grow up having a great grandmother in their lives. I am so thankful to God that Kamin knew what it was like for 11 years. What a gift that has been for us to treasure. We will miss Marty, but we know she is up there right now with our "Stevie", with Gran Gran, Big Daddy, and so many other loved ones as well as our Lord and Savior. Thank you "sisters" and Jimmy for sharing your mom with us-especially these past few weeks. You all were so good to her-you honored her so. May you know that her life was made even more beautiful because of you all. We love you all so very much.##imported-begin##Christi and Kamin##imported-end##
