“ *Mr. Bryant was a very dear neighbor, we spent many hours on each others driveways talking and he always had something to give me. Something out of the garden, a piece of country sausage are some little token. He was a very giving man, he will surely be missed by me and every one else. God bless his family and love ones.*##imported-begin##*Carol R Young*##imported-end##

Allen, would tell some stories of our working days there, that sounded a lot better than some of us remembered. But they were the good old days.

“ *Dear Allen Jr. and family,
I enjoyed knowing your dad in the choir at Aldersgate UMC. He loved being a part of the choir and we missed him when he left. He worked with my dad, I.J. Stallings at St. Juliens Creek and they were good friends. I know he will be singing with the heavenly choir. May God's grace and loving memories sustain you all at this time of his passing. Sincerely, Susan Cross*##imported-begin##*Susan S. Cross*##imported-end##
