“ *Ms. Jackie and the entire Morrow family:*

It is during this time that my prayer for you is that our Lord will wrap His loving arms of peace and comfort around you and hold you close. It saddened me to hear of Mr. Butch's passing and I really wish that I could have been there to give you a hug and help in some way to ease your pain. I am thankful that I was your neighbor for quite some time and that I was able to get to know all of you and call you friends. Mr. Butch offered help and "tough-love" advice on several occasions when it was asked for and sometimes even when it wasn't, but it was always needed and appreciated. Remember our loved ones never leave us completely when we keep their memories close to our heart. Take care of yourselves and each other and I hope our paths will cross again sometime soon.

“ I am so sorry to hear about your loss. I remember the times when we were neighbors and your family was closer to me than my family. Butch was always the first to step in and help me. My love and prayers are with you all during this difficult time.

“ So glad we became neighbors in 1966! We went through a lot becoming parents, dealing with deployments, duty, maintaining house trailers, vehicles, trips to ER, kids running away from home..being found next door in front of that candy jar! Love you just like family or even better! Dennis & Georgine

“ *My deepest condolences to my sister-in-law, Jackie Morrow and family in the loss of their husband, father and grandfather. He was always a friend to everyone, always willing to help anyone who needed his help . He will be missed by all that loved him. I will always have loving memories of times spent at Lake Gaston with Jackie and Butch fishing and laughing, of times spent at family barbecues chasing each other with watermelon. Sending prayers and love to the Morrow family. Love Patti.*

"May God walk with you through every valley, holding tightly to your hand, steadying your every sleep, and carrying you when your strength is gone. God sees our tears and feels our pain." Isaiah 40:31

Just know that he is in a better place than us. He's not suffering anymore. Find comfort in God, memories, and friends. You all are in our thoughts and prayers.
