“ I met Andrea in Jr. High when we both lived in the same neighborhood. We became pretty good friends and stayed that way through high school. We lost touch like people do but reconnected when she found me on Facebook. I was so happy to hear from her again & we had many wonderful chats. I was very sorry to hear of her passing, I just now found out. My sympathies to her family during this difficult time. I will always have many good memories of her!##imported-begin##Roberta L. “ My daughter Rebekka is like a sister to Andrea's daughters, and we are praying for the whole family. For GOD has called home his angel, and she will be looking over each and every one of you. Madison and Morgan now is the time to make your mom very proud for she will be watching over you. Make sure to help your Nana and be the strong young ladies that you both are. If there is anything that the Carter family can do to help please call upon us. We will pray for GOD to give you the strength needed to make it through this. GOD BLESS you all!!!!##imported-begin##Ruby Carter##imported-end##
