“ *The Pascall Family*

One of my first memories of St. Lucia was with my dear auntie Angie and her family, such great memories that St. Lucia became my home.

I would like to take this time to share my deepest condolences with all the family. May God comfort you in this time, of your lost and find strength in each other. I wish I was there sharing the Celebration of her life but know that my thoughts are with you all.

May God bless you all

RIP My lovely Angie

Love from Pat and Family
