“ *Aubrey and family,
I apologize for the lateness in sending you my heartfelt sympathy. I was in a state of shock when I received word that Ann had passed away. I cannot imagine what you were going through and continue to go through. My mother was in the hospital when I heard and has since passed away on October 9th. I thought a lot of your family and remember all the good times we spent during those long hot summers at the ballfields and hotels with our girls and families, we have great memories. I know that your faith and trust in God will carry you through as time goes on. What a tremendous loss to you and your family. Please let everyone know that we love them and continue to pray as you and your family process all of this and trust that only He heals in His time.
All of our love,

“ *Dr. Murden and the whole Murden family...I am so sorry to hear about Mrs. Murden. I cannot even imagine what you all are going through. I have such wonderful memories of Mrs. Murden yes...I have and will always call her Mrs. Murden because that is what she made me call her as a kid. She had that wonderful look to let me know I was in trouble...and I will always cherish that look. You all have been an important part of my life, even though we have not seen each other in years...I grew up in your home and I always remember my life in the Murden Family. My thoughts are with all of you. ###imported-begin##Whitney Jo Little###imported-end##*

“ Dear Aubrey and family, I just found out today about Ann and it has really caused my heart to be saddened, especially for all of you. I have such fond memories of Ann during our nursing school and roommate days and also memories of the several times we got together for a weekend when we had small children. I loved Ann and my heart and prayers go out to all of you. She was a very special lady and I regret we lost touch over the years.. We kept hoping she would join us for a SCH reunion. Please give my love to her Dear Mother also. God's peace and comfort be with you all.

“ Praying for you & remembering your mom & many good times at your house when Adrienne & Angela & I were kids. Your mom always made everything just right: July 4th swimming & fireworks, Christmas Eves, RV trip to see Santa in Richmond. One sleepover she served pancakes and gave all the girls around the breakfast table an "A" Murden name, which was fitting since she always made us feel like we really were her adopted kids! She was so funny and always made me feel special. My parents have really enjoyed the Cracker Barrel dates with your mom and dad in recent years. Love and prayers to all of you!

“ Ann, Rob & family - my sincere condolences to you all at this time. A sudden loss is hard to accept, but you have to hold on to the things that can comfort you; your love for each other, your memories of many years of special and treasured times together, the fact that she was able to see and love Madalyn and her other grandchildren. Just be there for each other. We never know when our time will come, but she will be there to greet you one day. My heart goes out to you all and my prayers are with you and your family. God will give you the strength you need and I offer my support in anything I can do.

“ Aubrey and Family, my heart is breaking with you in your loss. Your family has always meant so much to ours. I still have the cross-stitched duck doorstop that Anne made me years ago. I also have many good thoughts of her smiles, laughter and kindness to Mom and my whole family. Her strong faith and loving ways will always be remembered. I'm praying for each of you to have God's peace and strength. Psalm 116:15 says, "Precious in the sight of the Lord is the death of His saints." The word "precious" denotes "carefully watched over." May you find comfort in knowing your loved one is being "carefully watched over" by the Lord Himself.
