“ I am very thankful for all the years I knew Peter and Anne Eustis, and trusted with the privilege to work on their beautiful home. They always treated me warmly, like I was part of the family. They were more than customers. I always thought of them as friends. They will be greatly missed.

“ I have known Anne since the 70s when I played tennis with Peter almost every week when the weather permitted. Afterwards Anne would invite us sweaty players to have refreshments in her home. She was a wonderful woman who made us feel at ease. She and Peter were a very loving couple. Jean & I miss them.
