“ Anne was one of the first people I met when I arrived at Maryview in October of 1982. She was a wonderful person and I always had tremendous respect and affection for her. I can't think of Anne without remembering her smile and her laugh, and her consummate professionalism. She will be greatly missed.##imported-begin##John Stone##imported-end##

“ You were the best mother anyone could ever ask for. Your love for your family, church, career, friends, and even strangers was admired by everyone. I wanted to be there for you not because it was a responsibility, but because I loved you and wanted to. If I am ever viewed as even half the woman you were, I will consider myself successful in my life. I miss you but know it took you only seconds to get to heaven.###imported-begin##Becky###imported-end##
