“ I am so thankful I had the opportunity to get to know Archie through church. I will never forget the year we were doing a Christmas program at church and we needed a star as part of our scenery. I happen to have driven by the house one day and saw this beautiful star hanging up on the porch. Jokingly I mentioned how pretty the star would be hanging in the church and a couple of days later Archie brought the star for us to use. I was right it was beautiful. He will be missed greatly by each of us that had the honor of knowing him.##imported-begin##Deborah Pont##imported-end##
