“ *Mr. Arthur was a friendly roommate with my step-dad, Melvin. He always greeted us with a polite "hello". I'll never forget the day in Feb. when he asked my husband for a lift to Chesapeake Square Mall! My husband replied for him to work on feeling stronger and then we'd see about it. We missed Mr. Arthur each time he went into the hospital. I'm glad two quiet gentlemen became friends.##imported-begin##Melvin Forehand family##imported-end##*
