“ *I got to meet my Uncle Art for the first time several years ago. I was well received by my uncle and family. My uncle helped me on my travels to become a Master Mason and I am Thankful to have met him when I did.*

"When we came into this world, we knew naught of what we had before us: but as we came to the years of understanding, we learned of the past. We learned what men had taught, and said, and done, from the beginning of the world to our day. But only through the eye of faith and understanding can we behold what is to come thereafter, and only through a firm reliance upon the Devine promises, can we satisfy the yearnings of our immortal souls".

God Bless the YBarra's

“ Mrs. Ybarra and Family, My sincere condolences for the loss of your husband and honorable man, Art. Since I was a young child I have heard nothing but good words about Art. My Dad, Thomas McAllister, served with Art on the UDT/Little Creek Team. Mom and Dad always admired Art and I would hear them speak of him often. Then it came full circle. I grew up I was lucky enough to meet Art after all those years when he began another career at the Virginia Department of Health. Art will be sorely missed by everyone who had the pleasure to call him Friend.
