“ Linda,
I know this is a difficult and sad time for you and Stan. Please accept my condolences. Thankfully, you know she is with God and your father in Heaven. I will try and attend the service tomorrow. I was thankful that Jay called me today to let me know about your mom. May God be with you and Stan.
Love,

Linda,
I am so sorry to hear of the passing of your Mom, Audrey. She was a dear sweet lady from my past with many years as a neighbor in Prentis Park, even before you were born. Please know that you and your family are in my thoughts at this time.

*Dear Linda,
What wonderful memories the Richardson Family has of you and your mother, as we lived next to your sweet grandparents, during our early years. May God bless you during this time. We know that we will see her again.*

*Dear Linda,
What fantastic memories I have of growing up spending time with you and your family. Your Mom was the best, always tolerating us being under foot. On the back porch playing with our madame Alexander dolls or cutting paper dolls on your living room floor. She always made me feel welcome in your home and I know your heart is broken. Please be safe and know I am thinking of you.. Sharon Vick Mokris*
