“ Aunt Jean and family. Wish I could be there with you, but please know that my thoughts and prayers are with you. We will all miss Uncle Aulsa. I am so glad that we have the comfort of knowing that we will all be together with Heavenly Father one day. Fran and I were just remembering last week the embroidered dragon jackets Uncle Aulsa brought us when he returned from Korea. I know you will find great comfort in knowing that he was loved by so many, and had such a great influence on all of us. We love you. Mart##imported-begin##Martha Cavanaugh##imported-end##
