

## Austin Dean Rudisill

June 28, 2014

Austin Dean Rudisill, 19, passed away in his home Saturday, June 28, 2014. He is survived by his parents Dean and Yvonne Rudisill, as well as his best friend and sister, Brittany. Grandmothers include: Marilyn F. Boutwell and D. Paige Rudisill. He is also loved by aunts, uncles, too many cousins to count, and numerous friends. He is predeceased by two grandfathers: Arthur D. Boutwell and Charles F. Rudisill.

Austin is a 2014 graduate of Western Branch High School. Austin loved music, art, basketball, root beer, chicken fajitas, XBOX, luxury cars, and cool weather. He enjoyed Christmas, his yearly trip to WV for a 4th of July family reunion, as well as Sunday dinners at Nannie's house. When Austin was little, he would stand on the tub as his mama would hold a towel in her arms and she would ask, "How much do you love me?" He would then jump into her arms and answer, "Infinity beyond!" Austin, we know you have now jumped into our Savior's arms and He, as well as us, loves you "Infinity beyond!"

A visitation is scheduled for Wednesday, July 2, at The Church of Jesus Christ of Latter Day Saints, Portsmouth Ward, 1115 Cherokee Rd, Portsmouth, VA 23701 from 6-7:30 pm. A graveside service will be held Thursday, July 3, at 2 pm in Olive Branch Cemetery, Portsmouth, VA. Loving Funeral Home is handling the arrangements.

“ I spent ninety minutes, 10:20 - 11:55, with Austin everyday from the end of January until the end of April 2014 as his English teacher. He always came in before the bell rang and had a bunch of snacks from break to "grub on." Then, he was ready to get down to business. He always waited until the end of the bell to take a restroom break.

One day I called him over to show him that he had a B in English. His face lit up!

He was always well behaved and always had his books. I sat beside him many days as I lectured. We talked somewhat but wish he had talked more in class or to me.

He was going to do his research paper on Jonathan Swift but changed it to William Shakespeare. He respected me and what I was trying to get him to do and that was to graduate. He did it...something many do not achieve in a lifetime.

*"Come to me all ye who are heavy laden and I will give you rest."*

“ I did not know Austin personally but my son Jacob did. Austin was at our house several times for Jacob,s graduation party (class of 2013), hanging out with boys n girls, etc. My impression of him was that he was a happy go lucky kid and quite a handsome young man. Terrible loss to all and our condolences to his large and extended family. You will be missed young man. You're in the Savior's hand. God Bless.

“ *I had the pleasure of working with Austin when I completed the school year as his English 12 teacher. Although I only knew Austin a short time, I always found him to be a polite, sincere young man. My thoughts with Austin's family and friends at this difficult time. May the good memories you have of him sustain you in the difficult days and weeks ahead. Marvin Fanny*

*My sincerest and deepest condolences to the family of Austin...I did not know Austin personally but probably met him in passing because he was a very close friend of my nephew, Joe...!!! Joe has spoke so highly of Austin!!! I pray that the good memories, special times, and the love that was so evident between Austin and others that knew him will be what is cherished and remembered in the difficult days ahead!!! It is hard to know exactly what to say when hearts have been wrenched so deeply other then to say that there is one person who is acquainted with our grief, knows and has shared in all of our pain and struggles! It is only through Him, the Lord, Jesus Christ, that we can ever know true peace and comfort, especially in times like this!!! Love and blessings to all!!! Marilyn Damianidis*
