“ *Beau, is our nephew. He stayed with us a lot during his younger years. He would come summers and we would go boating, fishing, camping. Jack and Beau played sports together alot, very competitively. Beau would always mock my southern slang, even in voice messages. When he started to become a young man, he became a very charming and fun loving person. He met Amanda and started bringing her here to visit and we fell in love with her too. We were so glad, he had found someone worthy, to, love and spend his life with. When ,Breylynn come along, we were over joyed. We love them so very much! We will always keep beau and all the wonderful memories in our hearts until we are together again. We never had any children of our own, Beau was like a son to us. He will truly b missed.*

“ It is sad when someone so young leaves a family I am so sorry for your loss Amanda and for Brenlynn. I would like to say that I will always remember him sitting on the sofa at Ronnie's watching sports at Christmas before we sat down to eat. He had a great personality and was always friendly. He was such a good Dad I watched him when Brenlynn scraped her little cheek at Christmas when she was playing with the balls in her hand. We both looked at her thinking she was going to cry but she went on playing. You have a beautiful daughter you will always have a piece of him through her. She is a reflection of the love you both shared. You will be in my thoughts and my prayers.

“ *You always reminded us of the time you & Cory were wrestling in his bedroom (about 15 yrs.old) and your foot went through the ceiling. You 2 were laughing so hard. However you both got a quick lesson from Richard in learning how to patch sheetrock. Just one of so many memories with another angel in heaven. We will miss you !*
