“ Brad and Joe, sorry to learn of your mom’s passing. My family members and yours all met in about 1963 and you were one of the first family’s we met after our return to Radcliff in 1962. We used to see your parents at the Radcliff Golden Coral each Thursday until your parents moved to Sonora. Your mom took me to the hospital when I broke my thumb when I was 15, and there were so many things that she did for me just as if I was her third son. She has been on my mind for several months. I wish I could be there Monday, but am at risk for COVID 19 with my health issues. I will be there in spirit. Your long time friend, Bobby Dowell
