“ *Bette, We have so many fond memories of our time together when the kids were little. And of playing cards on Sat. night after they went to bed. It seems like yesterday, but it will be yesterday when we meet again! God bless and keep you dear friend! Love, Anne and Paul*###imported-begin###Anne & Paul Haws###imported-end##

“ *This may be a time that we now have to cry; we may ask ourselves the unanswerable why; but there is one thing that is good to know; she loved to walk, but now gets to fly!*

“ *What a blessing Ms. Betty was in our lives, she was not only our neighbor but our friend and shared so many touching moments with us. Ms. Betty walked her walk and talked her talk about our Lord Jesus Christ and kept that sweet love and smile until the day she let go of this earth, family and friends and as she said went home with our Lord. Thank you for sharing your days with us Ms. Betty. With much love and appreciation for you, We know you are with our Lord now resting and well*###imported-begin###Nancy Painter###imported-end##
