“ *God Bless Our Mother who saw the Light, letting it shine thru her & passing it on to us so that His light will continue to shine in everyone we encounter so that the Chain goes Unbroken - I will miss her earthly voice & presence yet know that I will see her & ALL my "Christian family" again because knowing that death is not the end but a New beginning - Until that day may MY light shine as bright for Him as my Mom's did !!!*

**She was my Best Friend & the most uplifting encouraging person I have ever known - Her voice was always happy & full of life - We laughed together, shared scripture, & always saw the "glass half full" no matter what - If I can be half the person my Mom was I would be truly Blessed ❤️*

“ The passing of Bettie Baker into the presence of Jesus marks the homecoming for one of God’s choicest servants. Nonetheless, we who have known her for many years feel a tremendous sense of loss. I have been a friend of the Baker family since the early 90’s and have been the recipient of multiple kindnesses to include many home cooked meals prepared by Bettie. I spent many a holiday with them as my immediate family was six-hundred miles away. I’ve always referred to Bettie as my second mom and will truly miss her.

I did not know Bette. but I have met and admire her lovely daughters. She evidently was an amazing follower of Jesus Christ and taught them well. May God bless and help them as they adjust to their mother in her eternal home.
