“ *Dear Kennett Family*

We regret that we will be out of town from Friday noon until Sunday evening. Mrs. Kennett is very special to us and our hearts and prayers are with each and every member of her family. We have wonderful memories of her smiling face as she and Mr. Kennett accompanied each other to our office. Their relationship and love for each other is apparent and our lives are richer for what they have shared with us. Mrs. Kennett will be deeply missed.
