“ Christa, Your Mom was like a second Mom to me.... And your home was like my own... I have so many good memories of you and your family. That I will ALWAYS cherish! Too many to write on here... But I hold them close to my heart. Your Mom is finally her old self again, and is happy, in heaven with your Dad and all her other loved ones that have gone on before her... : You were such a good daughter, and took VERY good care of her... Love you much and have you AND your entire family in my thoughts and prayers. Wish I could be there with you today... ~Jennifer##imported-begin##jennifer closson##imported-end##
