“ Jean, so sorry to just learn of Bill's passing. I have been out of town with family members funerals, also. Bill was so special to Harvey and I. We enjoyed times with you both in our Sunday School class meetings! As we grow older, Heaven gets sweeter all the time knowing those who are waiting for us.

“ We are deeply saddened about Bill's passing and the fact that we will not be able to attend his memorial today. Sue has recently been through a series of cancer treatments and feels like the trip would be too much for her to bear.
Please know you and your family are in our prayers today and in the future. Please give our best to all and let them know we miss and love you all
In Christ's love

“ *My prayers are with the family. I did not know Mr. Schepp but his daughter Ginny loved her daddy very much so I know he was not only a special person but also a wonderful father.
I love you Ginny.*

“ *Jean, I'm so sad to learn of Bill's passing. Both of you have been such special friends over the years. I remember plainly the day the two of you were married. It was a beautiful occasion, and your lives have been a lovely example of what a marriage should be. So much love and devotion, not only to each other but more especially to God. Thanks for allowing me to see into your hearts your Christian faith as you lived it out each day. God is good, and He will be with you all the way through your grief and sorrow. Please know I love you and will be praying for you and your family.*

“ Always kind and friendly, Bill was a dear Brother in the Lord and we will miss him. We went on many bus trips with Bill & Jean and shared many sweet memories. Like the time we had stopped for dinner and having all gotten back on the bus, Bill went back inside the restaurant to ask if he could have the recipe for the dessert we all enjoyed! Then shared it with all the ladies!!! Always thoughtful and kind! We love you Bill and will meet you in Heaven one day!
