“ To David and the entire Taylor family: Please accept my deepest condolences on the loss of your mother. I have been out of town and just learned of Mrs. Taylor's passing. David and I have known each other for over 30 years. I feel as though I knew the entire family personally just by spending time with David and sharing our family stories. David, if you need to talk....you know I am always here for you. I will keep your family in my prayers.##imported-begin##Hope Smith Bateman##imported-end##

“ To the entire Taylor family ? we would like to send our heartfelt condolences. We did not have the honor of personally knowing Mrs. Blanche Taylor, but she was doubtless a remarkable woman. We know this since we had the privilege of spending extensive time with her son David during his time in Texas. It is very evident that Mrs. Taylor will be missed tremendously, but we are confident that the Taylor family will persevere. This we know because we learned of the of the Taylor family?s strength and courage from being in David?s presence. Please appreciate that we are thinking of you during this difficult time. God Bless all of you.##imported-begin##Michael Hensley##imported-end##
