“ To The Family, I read of your loss and want to express my deepest sympathy. I also want to share the comfort of John 5:28,29 which assures us that those who have fallen asleep in death will receive a "resurrection" back to life when the earth is restored to a paradise. Revelation 21:4 says, "He will wipe out every tear from their eyes and death will be no more, neither mourning nor outcry nor pain be anymore". While we await that wonderful that, please find comfort in these promises. Sincerely,##imported-begin##Mrs. Jordan##imported-end##

“ Bobby was a beloved patient of mine in Pulmonary Rehab at the Lifestyle Fitness Center. She was a bright light and a joy to be around. She always made us laugh and showed everyone so much love. I talked to her on the phone many times recently about her illness and I pray she did not suffer. She talked many times about all her children, Jimmy and her life. She truly lived life to the fullest. I'll always picture her walking around Walmart at 3am in her Santa Claus hat with bells on it. She did that because it wasn't crowded and she could have the place to herself. She said the clerk bumped into her and just chuckled at Bobbie singing to her self and said Maam are you having fun? That was Bobby always making people smile. I will miss her and remember her always. Our thoughts and prayers are with her family.
Fondly,

“ I am sorry to hear about the loss of your mother. Many years ago I used to live next door to Mr. and Mrs. Tartte on Cavalier Blvd. in the old Academy Park and was friends with Jimmy we were in elementary school, I believe. Anyway, my deepest sympathy for all of you.###imported-begin##JoAnn Beacham Smith###imported-end##
