“ Jean, my thoughts and prayers have been with you.
What a special couple, so very Blessed!
I treasure the memories I have of knowing you both and feel very privileged to have counted you both as my friends.
Bobby was always so kind, I was lucky to have known him and counted him as “one of my favorite patients “, and then I met you and I was sure you were “the perfect couple “!
You were so Blessed to have had each other. I will always think of you both as “the perfect couple” and one day you will be together again 🙏❤️

“ Bobby was an amazing man and the world is a better place because he was here. He was wise, caring and very smart. I'm grateful he was a neighbor and friend to me and my family. He is going to be sorely missed. My prayers go out to Jean and the family.
