Bonnie was a very spiritual, generous, dedicated individual, who was

passionate about her family. She loved serving in her church and did so, for many years, in various capacities and finally by caring for and teaching the primary children each Sunday. She raised her three children in the Church of Jesus Christ of Latter-day Saints and was very proud of the good, loving adults they grew to be. Bonnie was her children's, grandchildren's, and great-grandchildren's biggest champion. She worked as supervisor of the patient transportation department of Portsmouth General Hospital, for a total of over 20 years, before finally retiring. She enjoyed dancing, as well as various creative pursuits throughout her lifetime, including, flower-arranging, cake-baking, cooking for her family, and doing her family's genealogy. She loved frozen yogurt and was always sipping a Pepsi! She loved to share that one of her teachers in all four years of high school was the one-and-only Andy Griffith!! Bonnie was an incredibly strong, resilient person, who persevered through every challenge and trial put in her path. She will be greatly missed by the many people who truly loved her.

“ *Granmommy, I sure do think of you often. Wishing i had more time with you while you were here is such a regrettable feeling. I am so thank full for the memories I have with you (some of my earliest memories I have) and the love you gave me. I hope you’re proud of me. I hope to see you again in heaven. I love you.*
