“ *Im a friend who spent a lot of time with Brad back in school. The group of us often played a game we called "Steven Segal" and we usually played it on a trampoline of all places. There was one night where, I have to admit,Brad delivered an awesome Segal move to my chest and I was on the ground before I knew what happened. It was a terrible experience for me and Brad at the time as I ended up with 2 broken arms but its a funny memory now and I quickly am reminded of how Brad spent the next few months at my house faithfully showing up every morning to keep me and my casts company, play video games with me, and drive me around. He was a kind-hearted friend and he will be missed by all. I am so sorry to hear of his passing and my condolences go out to you and your family.*

“ I don't know you personally, but Brad was a friend of mine and of my son. He was a great guy who was very kind to me when my mother passed away several years ago. At that time, we talked about how much he loved his family. I have you in my prayers and thoughts. I am so very sorry.##imported-begin##Kathy Wiggins##imported-end##
