“ I can't believe I am just finding this. Brad was one of my best friends in high school.

I have much loved memories of us blasting aerosmith in his mustang and driving around the presidio. Oh Brad. I am so sorry. And I send much love to your family and friends.

Brad was a Soldier of mine while stationed in Japan. I always appreciated his hard work and his wonderful sense of humor. I'm deeply saddened he is no longer with us.

“ I worked with Brad in Japan and have many fond memories of him. Brad was a good friend to talk to and a generous person who offered to host us during the holidays. For a young service-member who was away from home for the first time these things meant a lot. He also accompanied me to the airport the day I left. I'm going to miss him. My thoughts are with you and your family during this time.

“ I’m so sorry for your loss. We met Brad while stationed in Japan and we spent many weekends together. I will never forget his intelligence, humor, and astuteness. He was a beautiful person. We have many pictures from our time together. We hope you all like this picture. Lots of love Tysen and Jen Yates

“ I’m so incredibly sorry to hear about Brad’s passing. My husband and I were in Japan with Brad and Kat and they were wonderful friends of ours. Brad also had my husband for Thanksgiving one year when he was stationed at Ft Eustis. You will all be in my thoughts and prayers. RIP Brad
