

## Brandon "Ty" Smoot

May 8, 2021

Brandon "Ty" Smoot, 28, went to be with the Lord on May 8, 2021. Ty was a kind and gentle person who loved to play the guitar and sing. He was a graduate of Western Branch High School and was employed with Mediterranean Roots Restaurant at Chesapeake Square Mall, where the manager Tommy was a devoted friend and mentor to Ty. He loved animals and from a small child would never hurt a fly or any type of bug. Would catch them in a cup and set them free.

He was a devoted son to his mother and always told her in cards that he loved her with all his heart and appreciated everything she did for him. Always wanted to take care of her. And he always appreciated everyone that tried to help him whether it was a friend or stranger.

Ty is survived by his mother, Margie P. Smoot; his father, Virgil Smoot and his wife Anne; brother, Brad Smoot; nephew, Anthony Helin; as well as many other aunts, uncles, cousins and numerous friends.

Contributions in his memory may be made to the ASPCA.

“ Brandon always had my back when I worked with him. No matter how aggravated we would get at each other for not completing our work to pass off to the other, he would always come in with a good attitude and sense of humor. He will always be a day-one with teaching me some of my passion, which is cooking. He was a very talented man, as well. He will be missed.

“ All of my best memories you are apart of. I'm having a real hard time coming to terms with this. I'm so thankful to be able to call myself your friend for all these years. We've done some of the craziest things together. You will not be forgotten. You will live on in each person life that you touched. Anyone that had a connection with you, couldn't have anything bad to say about you. So many memories I could share, but your best quality was your ability to 100% yourself in every situation, regardless of who was around. People could either accept or not, but they got a chance to see you the way you were. I love you my friend.

“ I lost my baby Ty Saturday night. My heart is broken and I will miss him so much. He was so kind and I know he loved me with all his heart as he told in every card he gave me and always said how much he appreciated how much I did for him. I am waiting until I'm with him again and I know he will be happy when I see him. I love you with all my heart my precious son I hope it won't be long until we're together. Love your mom.

“ I remember when I first met Ty, he was so adorable, he was about 8 yrs old. His love for animals was so wonderful, he was so gentle with them, Ty, was a gentle soul. We took many trips with him, my favorite one was Luray, he was laughing so hard after losing his dad in the maize. My side of the family loved Ty very much. We will miss him you terribly, Rest In Peace, fly with God's Angels

“ I am so incredibly sorry to hear of the passing of Brandon. I have such great memories with him that I will cherish forever. He was such an awesome and talented guy, who wore his heart on his sleeve (literally). He taught me how to play guitar better, he taught me how to sing and play guitar at the same time, he showed me love and compassion in a time where I was completely vulnerable. He was one of the sweetest people I've ever met, and I wish we could have stayed friends throughout the years. Despite not talking in a while, I always cared for him and wished the absolute best for him. My heart goes out to his sweet Loving Mother, brother, Travis and Luke other close friends and family.

“ A precious lovely and very endearing young man. His gentle ways and ever sweet smile showed a tender heart of someone others should take life lessons from. In the presence of Jesus and His open arms, may peace be upon us all that remain. Loving thoughts and memories forever and always kept deep within our hearts.

*Love in Christ forever and always,
