“ I attended Hampden-Sydney College with Brian. We were Brothers in Alpha Chi Sigma Fraternity and were both members of the Glee Club. We had lost touch with one another after graduation, but I always looked forward to seeing him at a class reunion. Please accept my deepest sympathies for your loss. May your memories of Brian be a comfort to you in your time of sorrow.##imported-begin##Bryson McCain##imported-end##

“ Although we have not seen one another often over the past few years, we will always remember the fun family visits and holidays spent together. Our thoughts are with Bobby, Jeremy and the rest of the Horne family.##imported-begin##Alison Patterson/Family##imported-end##

“ Although I only knew Brian for a short period of time...we shared a similar issue in our lives. I want to express my condolences in Christian love for this relationship, the memories and the love that is felt by his family, friends and his departed mother.
