Please accept my sincere condolences on the death of Buddy. I was shocked to read of his death in paper. You always think think that some people will live longer than you. “ *Dear Susan and family,*

We were surprised and saddened to hear of Buddy's passing last week. Distance has made it hard for us to get together often but we are thankful for the times we did. We especially remember the day we spent together in Portsmouth with you and Buddy. We will continue to keep you and your family in our thoughts and prayers during this difficult time.

“ I had the pleasure of visiting with Buddy & Susan a couple years ago as they passed through my area. They had mapped out a trip staying at KOA campgrounds along the way. As my husband & I visited with them, it was very evident how much Buddy & Susan loved each other. He had a glow & a twinkle in his eyes as he would speak to or about her. Buddy was the kind of person that you could sit & talk to for hours. A friend forever. RIP, Buddy, until we meet again! Bette & Dale Anderson

“ Sue ,Chad ,Donna and Robyn
We shared holidays at NeeNaw's for 20 years and although I chose to walk a different path after Melissa's passing, I still love you all and cherish the memories.
Sue, It was so good to see Bud and you at Tommy Wade's service. Bud is a good brother-in-law and he is in God's arms now with NeeNaw, his Dad and Melissa.
I remember the projects that Frick and Frack shared together and the help he gave at 309 North High in Franklin. Some of our projects turned out great and some definitely had the the "Frick and Frack" signature.
By the way Sue, I still have my "General Joe" night shirt that you and Bud gave me for Christmas. Still wear it on cold winter nights.
Remember that you are still part of my family and I of yours. Buddy Clark is not gone ,nor is he forgotten. He will be with us all forever.

Love and God Bless you

“ Susan, Chad and Donna,
Very sorry to hear about Buddy's passing. He was and is an example to us all. I am just remembering the time he fixed my mom's pinto in the rain for free. It was always nice to be remembered by him on my trips back home with a wave and a sincere chat. You are in my prayers.

“ Susan and Family, I was so sorry to hear about Buddy. My heart aches for all of you. He loved his family so much. I went to school and graduated with him. I was so glad to see both of you at the GCHS Reunion in Nov. 2015. Buddy was one of those forever friends and I know so many will miss him. I pray for the peace that surpasses all understanding and the wonderful years of memories sustain you in the days ahead.

My love and sympathy to all of you.

“ I'm having a hard time typing, my eyes are leaking too much. I'm gonna miss Buddy so much. He has been a special friend for a very long time. There are so many good memories it's hard to pick even a few. I'm glad we had a chat on face book just the other day and I feel privileged that I had the chance to say "luv ya" again, not knowing it would be the last time. Susan, you, Chad and Donna take care of yourselves and those "lights of Buddy's life"... Though I'm far away my thoughts and prayers are with you and your family and I'll be in touch when we are over later in the month.

Susan, I hope you don't mind, I posted something on Buddy's FB page this morning. If you can, please see all the comments, There are lots of messages, from many friends, you should read.

Love and prayers
