“ I have many memories of Carl. I used to think he was really tall and remember going to a Lakeside versus St Mary's basketball game. Have no recollection of who won. Mostly I remember the old house and Uncle Ike would run boxing matches. Carl would clean house and throw us kids around the room until we were exhausted. Then we would get on the "house" phone that was connected to the cabins or rooms and listen to Uncle Dick and Aunt Virginia solving a problem. Wow, I still remember that plain as day. I share Tom's memory of the swimming pool fun at the new house.. My last memory was the white water rafting trip in Colorado with Carl and how wet we all got thanks to his great seamanship!!

“ To Peggy and the entire Butler family, we send our prayers and condolences. We are very sorry to learn of Carl's passing. Many, many years ago I remember going over to Butler's home [Ruth & Carl, Sr's] and swimming in their pool with Carl and the rest of the cousins. As I remember the Uncles were the loudest of all the people.

My father served in the US Navy and I enjoyed listening to Carl and my father discuss the latest developments in the US Navy. God bless you all and comfort you doing this sad time. Love, Tom and Jill.
