“ Dear Jan and Family
We were deeply saddened to hear about Tony's passing. It's hard to find the right words right now. Tony was always there to greet everyone with a hug and a smile. And he was always more interested in everyone else's well being. I'm glad I had the chance to see him and get that hug in January at promenade. We'll miss his camaraderie and friendship.##imported-begin##Joe Schenk and Family, V-86##imported-end##

“ It was a very somber day here on Thursday. It's so tough to verbalize what we're feeling at the clinic.

I had the priviledge of working for "Mr. C" for 2 years and I always looked forward to seeing him come in.

I, along with all of us here, are going to sorely miss him.
