Your mom was so lovely, so beautiful, and elegant woman, whom I always admired. i understand your pain and loss. Moms are moms and we love them so, especially when they have that sweetness the envelopes you and keeps you safe.

“ *Brenda, I am so sorry for your loss. There is a special bond between mothers and daughters. My mother died 19 years ago and I still feel that special bond every day. My hope in time is that your sadness will be replaced by fond memories of happy times with your mom. My deepest sympathy to you and your family. Peace be with you.*
