“ *Dear Charleen and Family*

It is with much sadness that I learn of the passing of Charlie. He and I graduated from Princess Anne High many years ago. He signed my annual "To a swell guy and a darn good ball player". I actually wasn't but that's the kind of guy he was--he always made you feel you were special. I just lost my 30-year-old policeman son in an auto accident one week ago so I know what a difficult time you are going through. I share in your loss. May God bless you.
