“ *Charles, Bobby, John, Mark and family:
My deepest heartfelt condolences in reference to your father's passing. May the arms of the "Blue Angels" family wrap around your family and promote swift healing. I worked with Charlie and can not express how proud he was of his "boys". Those of us that have known and worked with Charlie and two of you certainly know why! God's speed in healing and please contact me for any needs of any nature. Rest In Peace without suffering my brother...until I meet the P & E Commander again.##imported-begin##Steve Jackson##imported-end##*

“ *My deepest sympathies and condolences go out to the Grant Family. As a young police officer, I worked with Charlie many times during his later years with the police department and enjoyed the times he worked as my partner. As the Assistant Chief of Police, I also want to express the thanks of the entire Portsmouth Police Department for the years of service he devoted to protecting the citizens of Portsmouth. May God’s Blessings be with all of you.* *Asst. Chief Harry* ”
