“ I will always be thankful to Charlie for many years of companionship while hunting in Hidden Valley. It was a major part of my youth. More than a decade of Hidden Valley trips were made possible by Charlie - who provided the campers we enjoyed so much. He taught me there's so much more to hunting than just shooting deer. It's about the place, and the friends... a lesson I passed on to my children - with specific reference to my ole friend Charlie.##imported-begin##Richard H. ##imported-end##
