“ Chuck and I were the best of friends in high school. Sadly, we lost touch when we went to college and our seperate ways. I missed him at the HS reunion, but we talked shortly thereafter. Rest in peace ole friend!###imported-begin###James D. Vickrey###imported-end###

“ I am so sorry to hear about Chuck's death. I went to high school with Chuck and have not seen him since 1964. I spoke with him last summer and I was in Norfolk last week, January 26, and called him, but only got voicemail. My condolences and sympathy for your loss. Sincerely,

“ "Chuckie-Boy" was one of my oldest and dearest friends. He was always willing to lend an ear or a shoulder to cry on. He was a remarkble person in so many ways and brought a lot of joy into my life. He always had a blonde joke to put a smile on my face. I will truly miss him each and every day.###imported-begin###Barbara Aultman###imported-end###

“ I am a classmate of Chuck's from Elizabeth City High School, class of '64. Though I have not seen him in many years I remember him as a kind, quiet person. Many here in town have visited with him recently and truly grieve his loss, as I do.

“ Chuck and I always remembered when we were babies and were playing at our Grandparents house with their old water pump. Our family has many pictures of this event, he was 3 and I was 2. We were so cute! The last time I saw him he found the pictures so we could enjoy them again. I will always have good memories of Chuck. I pray that his family will find peace and think of all the good memories.##imported-begin##Betty Overby##imported-end##

“ *I am glad that I was able to meet Chuck and his family when I was a young woman visiting our Aunt Marian many years ago. I remember liking his family very much, especially his daughter Leslie, who is not so much younger than me. I hope she especially knows that even when it seems like she's alone, there are always people thinking of her and wishing her well. Even people like me, who she may not even remember, have her on their hearts and minds now and in the future.* `##imported-begin##Carey Overby##imported-end##`
