“ Dad, I don't know what to say but I do know you were a amazing father and I couldn't have asked for better. I'm in such shock but know you are in a better place and now pain free. Please watch over me and my kids. I could go on and on about how amazing you are but everyone already knows you were a awesome, loving, smart, funny and proud guy. I will miss you greatly and I'm happy to have to loving parents bow as my angels. I love you dad and RIP
????

“ Joe is the father of my nephew Joe and niece Corina. Joe is funny, a joker and loved family. I remember when he was in his 20's and used to take all the kids in the family to McDonalds in his big ole cadillac. He taught me to drive and even showed me how to change my first tire on my car. He was always a good dad to his children and loved them very much. Over the years we have kept in touch and his love for his kids never waived. Although I never had the pleasure of meeting his second family I send my condolences and prayers. May you have peace and be secure in the angels wings. RIP Joe. You always have been and will continue to be a part of our family. Love Char <3
